

### **Fork extensions, type GF**

#### **Advantages**

- Constructed to sustain the load
- Easy and quick mounting on the forklift truck
- The robust construction gives a high carrying capacity

ISO 2328	P [kg]	c [mm]	d [mm]	L1 [mm]
2	1000 - 2500	t + 15	b + 45	L + t + 15
3	2501 - 4999	t + 20	b + 70	L + t + 20
4	5000 - 8000	t + 25	b + 85	L + t + 20
5	8001 - 10999	t + 25	b + 85	L + t + 20

Width of the fork = b

Thickness of the fork = t

Fork extension = L (max. 1,67 x fork length)

When ordering fork extensions, please give the thickness, the width and the length of the forks.
